The reports of the audit firms were received by BCCI in April, 2016 were kept confidential. Subsequently, those reports were submitted to the Justice Lodha Committee appointed by the Honorable Supreme Court. Those report did reveal some irregularities in the working of some State units and the BCCI has immediately initiated corrective measures. The audit process was only in the case of State Units which submitted their annual audited statement of accounts approved by their General Body. The accounts of State units like Delhi, Jammu & Kashmir, Rajasthan who have not yet submitted their annual audited accounts could not be sent for scrutiny. However, the BCCI has not released any funds to such associations.
